

**APPLICATION FOR WAIVER OF THE CHAPTER 7 FILING FEE
FOR INDIVIDUALS WHO CANNOT PAY THE FILING FEE
IN FULL OR IN INSTALLMENTS**

The court fee for filing a case under chapter 7 of the Bankruptcy Code is \$299.

If you cannot afford to pay the full fee at the time of filing, you may apply to pay the fee in installments. A form, which is available from the bankruptcy clerk's office, must be completed to make that application. If your application to pay in installments is approved, you will be permitted to file your petition, generally completing payment of the fee over the course of four to six months.

If you cannot afford to pay the fee either in full at the time of filing or in installments, you may request a waiver of the filing fee by completing this application and filing it with the Clerk of Court. A judge will decide whether you have to pay the fee. By law, the judge may waive the fee only if your income is less than 150 percent of the official poverty line applicable to your family size and you are unable to pay the fee in installments. You may obtain information about the poverty guidelines at www.uscourts.gov or in the bankruptcy clerk's office.

Required information. Complete all items in the application, and attach requested schedules. Then sign the application on the last page. If you and your spouse are filing a joint bankruptcy petition, you both must provide information as requested and sign the application.
